*Lunch must be provided by families.

Week	Dates	Weekly Themes	
Week 1	6/14-6/16	Welcome Week!	In this first week we'll be taking short, local trips to learn the skills and abilities we'll be using for the bigger trips we'll be taking for the rest of summer.
Week 2	6/20-6/23	The Ancient World	Ever wonder how much ancient civilizations have shaped the world we live in today? We'll explore this topic and learn about the differences and similarities between societies of the past and present.
Week 3	6/26-6/30	The Natural World	It's the perfect time to be getting more familiar with our natural surroundings and learning about what we can do to help protect this part of our planet. Expect to take plenty of nature walks for observing local flora and fauna!
Week 4	7/6-7/7	Origin Story	For the week of Independence day, we'll be learning about the early days of the country and take a look at how much has changed since then. We're lucky to be in a city that's tied to such rich American history, so we'll be spending much of our time exploring Old City.
Week 5	7/10-7/14	Artist's Journey	This week we'll focus on nurturing everyone's inner artist with activities designed for creative expression. During our time at SMNS HQ you can expect plenty of painting, drawing, and arts and crafts, and we'll be taking a big trip to the Philadelphia Museum of Art!
Week 6	7/17-7/21	Our City	Whether you live here year round, or are just visiting for the summer, now's your chance to learn more about the city of brotherly love. We'll cover everything from the city's history to its structure and layout.
Week 7	7/24-7/28	The Scientist's Code	Science activities and experiments will be the driving force of this week. Curiosity, prepare to be satisfied!
Week 8	7/31-8/4	Wet, Wild, and Fun!	Prepare to beat the heat! This whole week will focus on water games and getting wet!
Week 9	8/7-8/11	The Engineer and the Architect	A whole week dedicated to building! Everyone involved will use all their engineering skills and teamwork abilities to create stunning architectural works!
Week 10	8/14-8/18	The Animal Kingdom	Get ready animal lovers, because we're dedicating this week to your favorite hairy and scaly friends. Each day we'll be focusing on different groups of animals and we might even pay some of them a visit.
Week 11	8/21-8/25	The Finale	We'll be celebrating the end of summer by bringing back everyone's favorite games and activities!
